

Thank you for your interest in **Mothers[®] Polishes•Waxes•Cleaners**. Having been founded from humble beginnings and grass roots efforts at shows & cruise-ins, Mothers[®] continues to offer assistance of various types of enthusiast events where guys and gals — and their families — can share their experiences and passion about their favorite hobbies.

Depending on the event you are organizing, we may be able to offer a variety of support materials as well as a limited amount of product. We have put together a simple and straightforward application process.

Your submission must include:

- ❑ **Application Form (see next page)**
- ❑ **Supporting documentation, including event flyer and participation information (required)**

If you are requesting product, your submission must *also* include:

- ❑ **One or more of the following supporting materials:**
 - ❑ Cover letter, including description of what you can do for Mothers[®] Polish if we were to sponsor your event
 - ❑ Supporting print photography of past events; or copies of past media coverage (if available)
 - ❑ Other supporting documentation

If you are awarded product, you should be prepared to send a post-event report explaining how your product was used. You should also provide photography or other supporting material as to the success of your event. Post-event reports will help ensure that such opportunities are available to you and your organization in the future.

In order for Mothers[®] to consider your request, we must receive all necessary items at least sixty (60) days prior to your event date to the address below. Should you have any questions, feel free to contact us.

NOTE: Regretfully, at this time, event sponsorship is only available to individuals within the 48 Continental United States.

Sincerely,

Mothers[®] Polish
